## OUTPUTS:

### 1. No matches found – spelling mismatch of forgive

```
In [13]: query=input().lower().split(" ")
start_time=time.time()
results=[]
try:
    if(query[1]== 'and' or query[1]== 'And' or query[1]== 'AND'):
        results=[value for value in inv_index[query[0]] if value in inv_index[query[2]]]
    elif(query[1]== 'or' or query[1]== 'Or' or query[1]== 'OR'):
        results=inv_index[query[0]]+inv_index[query[2]]
    else:
        print("Invalid query")
except:
    print("No match found")

else:
    results=set(results)
    for i in results:
        print(data['Food Description'][i])
finally:
    print("Query Execution time =", time.time()-start_time)

forgive and ground
No match found
Query Execution time = 0.002013683319091797
```

### 2. Mixture of upper and lower case in query

```
In [14]: query=input().lower().split(" ")
start_time=time.time()
results=[]
try:
    if(query[1]== 'and' or query[1]== 'And' or query[1]== 'AND'):
        results=[value for value in inv_index[query[0]] if value in inv_index[query[2]]]
    elif(query[1]== 'or' or query[1]== 'Or' or query[1]== 'OR'):
        results=inv_index[query[0]]+inv_index[query[2]]
    else:
        print("Invalid query")
except:
    print("No match found")

else:
    results=set(results)
    for i in results:
        print(data['Food Description'][i])
finally:
    print("Query Execution time =", time.time()-start_time)

Indian and Use
Ground spice commonly used in Indian cooking and drinks, in Middle Eastern cooking and in Scandinavian ba
king
Query Execution time = 0.0019919872283935547
```

### 3. Or

```
In [15]: query=input().lower().split(" ")
start_time=time.time()
results=[]
try:
    if(query[1]=='and' or query[1]=='And' or query[1]=='AND'):

    elif(query[1]=='or' or query[1]=='Or' or query[1]=='OR'):
        results=inv_index[query[0]]+inv_index[query[2]]
    else:
        print("Invalid query")
except:
    print("No match found")
else:
    results=set(results)
    for i in results:
        print(data['Food Description'][i])
finally:
    print("Query Execution time =", time.time()-start_time)
```

Indian or cook  
Ground spice commonly used in Indian cooking and drinks, in Middle Eastern cooking and in Scandinavian baking  
Liver of chicken, trimmed of external fat and large vessels, fried in butter until cooked.  
Cured, smoked and cooked pork middle rasher containing salt, sugar, mineral salts, antioxidant, nitrite and water. All internal and external fat of the rasher removed. Cooked by frying with no added fat.
